**BOOK CLUB**

The Ashton Scholastic Book Club is available for children to purchase a wide selection of books at reasonable rates. Order forms are distributed to the children each month. If paying by cheque please make cheques payable to Nicholson Primary School. This is so a receipt can be issued.

**SCHOOL BUS**

Students who live more than 4.8 kms from the school are entitled to catch our school bus. Please check with the Principal if you would like your child to catch our school bus. Our school also has a private bus that runs after school and delivers children along Sarsfield Road and also into Bairnsdale. Parents are entitled to apply for Conveyance Allowance funding if their child lives more than 4.8 kms from school and a government bus service is not available.

**EXCURSIONS**

Throughout the year children will go on excursions so that they have direct experiences related to their classroom studies. These excursions are an integral part of your child’s education. Parents are most welcome to assist on school excursions.

**LOST PROPERTY**

Please check the lost clothing box in the office area, if your child is missing something. Unclaimed, unnamed items of clothing will be donated to charity at the end of each term. Named articles of clothing found will be returned to their owners.

PLEASE LABEL ALL CLOTHING AND BELONGINGS CLEARLY.
ACTIVE AFTER SCHOOL PROGRAM

Students at Nicholson Primary School are able to participate in an Active After School Program.

The Active After-school Communities (AASC) program is a national program that provides Australian primary school aged children with access to free, structured physical activity programs in the after school timeslot. The AASC is designed to engage traditionally inactive children in structured physical activities and build links with community based organisations to create opportunities for ongoing participation.

The program runs from 3.30 to 5.00 pm Tuesday and Wednesday nights, fruit is supplied for all children attending.

MARC VAN

Children at Nicholson Primary have library sessions fortnightly with a trained librarian. Children are encouraged to borrow books from the MARC Van and return these the following fortnight.

SCHOOL LIBRARY

Our school has also a very well equipped school library where students can borrow library books and use as a resource area for project work.

STUDENT ABSENCES

It is important that your child attends regularly and punctually, however if he or she is sick, home is the best place. When your child has been away from school, you will need to write a short note to the teacher explaining the reason for absence. This is required for legal reasons. Unexplained absent forms are sent home for parents to sign and return to the school.
EARLY COLLECTION / LATE ARRIVAL

When children are arriving or leaving school outside regular hours, please sign the book provided at the office for this purpose. It is a DEET requirement that we know where all students are at all times.

SUNSMART

As part of the Sun Smart Schools Program run by the Anti-Cancer Council of Victoria, Nicholson Primary School has developed and implemented a Sun Smart policy.

During Term 1 and 4 it is compulsory for children to wear hats which protect the face, neck and ears whenever they are outside.

SPF 15+ or SPF 30+ broad spectrum sunscreen is available for students to use.

ASSESSMENT

Parents are encouraged to keep in close contact with the class teacher, especially during the first weeks of Term 1. A discussion is held with parents of grade Prep and Grade 6 children at the end of Term 1 to make sure all children have settled well into the school environment, or are progressing well in their final year of primary school.

All students and their parents are requested to attend a conference session where a written evaluation will be given at the end of June and a formal written report will be given in December. Teachers will inform parents of any concerns and special achievements that happen throughout the year.

SCHOOL COUNCIL

Meetings of the School Council are held at the school – 8 meetings per year. The School Council is responsible for all areas of school operation.

Meetings are open for all parents to attend. School Council invites all parents to come along as we value parent input and participation in the decision making process.

Nominations for positions on School Council are called early each year and elections are held if necessary. A list of School Council members will be published early in the year.
