Nicholson Primary School ANZAC Service
Wednesday April 25
ANZAC Day

representing the Mitchell Cluster of schools. The standard of the competition was very high and I would like to congratulate our representatives, Layne Siekman, Adam Fox, Luke McFadzean, Trent McFadzean, Jess Callaghan and Brontie King for putting in such a great effort and for proudly representing the Mitchell Cluster.

The ‘Parenting ideas’ information this week is for parents with boys. Understanding what makes boys tick helps to make parenting easier. Boys under the age of ten can be challenging for parents. It can be behaviour, poor self-confidence and learning issues that keep parents of boys in this age group busy. Hopefully this week’s article will be helpful for some of our parents.

We have now finalised our memberships and logon details with Mathletics so all students will be able to logon at home. We encourage students to practice their Mathletics whenever possible.

Peter Kerr

On Tuesday I went to the East Gippsland Region Swimming Carnival and we had 6 of our students representing the Mitchell Cluster of schools. The standard of the competition was very high and I would like to congratulate our representatives, Layne Siekman, Adam Fox, Luke McFadzean, Trent McFadzean, Jess Callaghan and Brontie King for putting in such a great effort and for proudly representing the Mitchell Cluster.

The ‘Parenting ideas’ information this week is for parents with boys. Understanding what makes boys tick helps to make parenting easier. Boys under the age of ten can be challenging for parents. Young Leaders

Once again our Grade 6 students will attend the Young Leaders Conference in Melbourne where they will hear from a variety of inspirational speakers. They will also be visiting the Science Works Museum. The Young Leaders camp is on Wednesday March 14th and Thursday March 15th.

Working Bee

On Saturday March 24th we plan to hold a working bee. The main priority is to install a border around our new playground equipment so if you are a handyman we could certainly use your skills. We also plan to do some other work in the garden, so garden tools will be handy.

Reading Information Night

On Wednesday March 28th we will be running a reading information night. We will talk about our reading programs and give some tips on the best way to support your child when reading. The session will begin at 7pm for the junior room and 7.45pm for the senior room. Babysitting will be available.

Guitar Lessons

Group guitar lessons will begin next week. Next week’s lesson will be on Friday as our grade 6 students will be in Melbourne on Young Leaders. After next week lessons, will be on Thursdays.

Lunch Orders

Can all lunch orders please be placed at the shop on Wednesdays.

Book Club

Can all book club orders be returned to school by Friday 16th March.
