Principal’s Report

Tuesday afternoon we held a special assembly to present our grade 6 students with their new shirts. The presentation of the shirts recognizes our grade 6 students as leaders in our school and a greater expectation for them to accept more responsibilities and lead by example.

On Wednesday and Thursday our grade 6 students were in Melbourne for the Young Leaders Conference. On Wednesday they travelled to Melbourne and went to Scienceworks and after dinner they went out Ten Pin bowling.

On Thursday they went to the Melbourne Convention Centre where they attended the 2012 Young Leaders Conference. They heard from a range of inspirational speakers who each shared their own views on leadership. About five thousand grade 6 students from across the state attended the conference.

Our parenting information this week is about the importance of children attending school every day and getting to school on time. The information will be helpful if you have ever had one of those mornings when your child doesn’t want to go to school.

A reminder to school council members and prospective members that we have a school council meeting next Wednesday March 21st at 7pm.

Finally, a reminder about our reading information night on Wednesday March 28th.

Peter Kerr
Guitar Lessons

Our guitar lessons for our senior grade students will be each Thursday at lunchtime.

Saturday 24th March

9am – 12noon

Reading Information Night

On Wednesday March 28th we will be running a reading information night. We will talk about our reading programs and give some tips on the best way to support your child when reading. The session will begin at 7pm for both grades. Babysitting will be available.

Our recently planted vegetables thriving in the weather conditions.
