## POLICY

There are many occasions during the school year where Nicholson Primary School staff photograph, film or record students participating in school activities or events, for example classroom activities, sports events, excursions, camps, etc.

We do this for many reasons including to celebrate student participation and achievement, showcase learning programs, document a student's learning journey/camps/excursions/sports events, communicate with our parents/carers and school community in newsletters and on school website. There may also be occasions where we take images to support student behaviour management or to fulfil legal obligations. Further detail is provided within this policy.

In addition to the above, there may be situations where a third party requests to take, use or disclose images of students.

This policy outlines the practices that Nicholson Primary School has in place for the collection, use and disclosure of images of students to ensure compliance with the *Privacy and Data Protection Act*

2014 (Vic). It also explains the circumstances in which we will seek parent/carer consent and how consent can be provided and withdrawn.

## Consent

The Photographing, Filming and Recording Students Consent Form is provided by Nicholson Primary School at enrolment. This form applies to standard uses of images for the time your child attends the school. Standard uses are defined in the following sections.

For non-standard uses, where consent is required, parents/carers will be sent a consent form for that specific situation. Schools will also notify parents when implementing software that may include photos of students, giving parents an opportunity to discuss any concerns or preferences.

If at any time parents/carers wish to withdraw their consent, they can by contacting Principal or Business manager on 5156 8220 or email [Nicholson.ps@education.vic.gov.au](mailto:Nicholson.ps@education.vic.gov.au) . If consent is withdrawn verbally, the school will make a written record of this. However:
